

Out-of-Field Teaching for SY 2022-23 by Grade Level and Subject Area

This report presents information on the amount and proportion of out-of-field teaching. Out-of field teaching is teaching in assignments for which an individual teacher was not certified during the 2022-23 school year. The table shows total teacher full-time-equivalents (FTEs), followed by in-field and out-of-field FTE values, aggregated to the assigned grade level and PEIMS subject area. Please note that each year this report is tailored to align with current administrative rule; thus, the information is not directly comparable to previous years.
